West Hills College Coalinga is...

- Located in the central valley. The heart of California!
- Small, remote, agricultural community
- 90 miles from the nearest city
- Diverse college campus

Fostering Student Alliances staff are...

- 100% leveraged
- Former foster youth
- Passionate about student success
- Rooted in the community

Though resources are low in our small community, we have come together to serve foster and former foster youth to promote student success.

Fostering Student Alliances' Future

- By leveraging resources students have demonstrated success in all areas of their life.
 - Students are transferring to prominent California colleges such as: CSU Northridge, CSU Hayward, and UC Santa Cruz.
 - Students are successfully planning educational career paths that lead to independence.
 - Students have become more involved on campus, within the community, and with each other.

Fostering Student Alliances' Future

- Students are also...
 - Forming a foster youth club centered on student engagement and volunteerism.
 - Presenting a group project at their year end banquet before the college President and Administration.
